

NACES Evaluation Guide

All applicants/candidates who have bachelor's degrees from outside of the U.S. will need to complete a transcript evaluation through a [NACES](#) (National Association of Credential Evaluation Services) member organization. The evaluation should be a course-by-course evaluation that includes a GPA. Any NACES member organization is acceptable, but Moreland has partnered with a few organizations to streamline this process:

[Spantran](#)

- Spantran is best used for candidates who have 4-year degrees
- Discount available for \$170 USD
- Must go through Moreland-specific landing page linked above
- Follow Spantran's document requirements
- Spantran does offer translation services for a fee
- Moreland will receive the evaluation report where it will be uploaded to the candidate's platform

[ECE](#)

- Course-by-course evaluations cost \$190
- Must go through Moreland-specific landing page linked above
- Follow ECE's resource document guidelines
- ECE will send Moreland the final report

[World Education Services \(WES\)](#)

- Evaluation will cost \$163 USD
- Create your account at wes.org
- Select the course-by-course evaluation that includes GPA option (WES Basic) to ensure your evaluation meets our requirements for admission review
- To have your evaluation sent to Moreland, please add us as a recipient in your account
- Once you have completed your application, follow the instructions for submitting the required documents. After all required documents have been received in accordance with the instructions outlined by WES, the evaluation will be completed within 7 business days
- If you have any questions throughout the application process, please reach out directly to WES Customer Service through your account portal. You can also refer to the Help Center for answers to frequently asked questions.
